Suitability for work with vulnerable people and Rehabilitation of Offenders Act

Due to the nature of our work, this post is exempt from the provisions of the Rehabilitation of Offenders Act. Therefore you must not withhold any information about convictions (including those which for other purposes are considered "spent" under the Act), previous or pending prosecutions, cautions or bind overs applicable either in the UK or abroad.

Any information provided will not necessarily prevent you from being appointed unless the particular conviction, previous or pending prosecution, caution or bind over means you are unsuitable for the post.

Failure to declare a conviction, previous or pending prosecution, caution or bind over, either in this country or abroad, will disqualify you from appointment. It could also result in your dismissal if the discrepancy comes to light at a later stage.

ActionSpace will run a check on all successful applicants against the Protection of Children Act List and Vulnerable Adults. Anyone whose name is on the list is legally barred from working within the charity.

Have you been convicted of any criminal offence, been bound over or cautioned, or are you currently the subject of any police investigations, which might lead to a conviction, an order binding you over or a caution in the UK or any other country?

Yes* **No**

** Please note that you will be asked to provide details, including approximate date, the offence and the authority and country which dealt with the offence, if you are shortlisted for the post for which you applied. A discussion will also take place at interview stage with the panel.*

Does your name appear on the Protection of Children Act List or Vulnerable Adults List

Yes **No**

Failure to declare any information on these matters may result in your application being rejected or, if it is discovered after appointment that such information has been withheld, then this may lead to your dismissal from the charity. All successful applicants will be checked by the Disclosure and Barring Service before they are able to take up their post. Please include any other non conviction information that may have a bearing on your application for these purposes.

Please state below any disclosure/declaration related to the above:

I understand the appointment, if offered, is subject to satisfactory pre-employment checks and subject to the information provided on the application form or any other document being correct. Any false or misleading information provided on this form may result in any employment being terminated. I understand that the information provided on this form may be entered onto a computerised system.

I understand that my details will be kept securely. I also understand that my personal details will only be used for the purpose of my job application and my possible subsequent role. I note that ActionSpace does not provide any personal details to any third party without express consent, and that my personal details will be kept in accordance with current data protection laws and best practice.
